

Listen, Mommy
What is manhood?
What is caring?

Listen, Daddy,
What is confidence?
What is persistence?

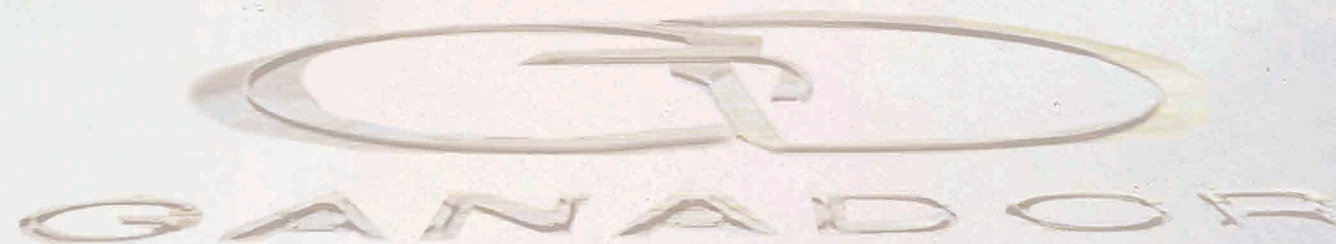

Wondering how long
has the time gone by

One day, pure bliss put me on top of the world
Another day, my cheeks were wet by tears
and I couldn't stop a convulsive cry

After encountering countless springs
After passing countless autumns

And now
With the confidence
and persistence
I'm walking for the further pinnacle

Everything's for the ones whom I love
Now my heart unites with GANADOR
